nocturne

the nocturne

is a split-bag style, where two ends meet in the center with a button. Handmade with a high-quality, durable fabric, the nocturne closes with matching drawstring ribbons on both ends.

prelude

SIMPLE DRAWSTRING

SLING

the prelude is a simple, one compartment bag. It's made with one high-quality, durable fabric, and paired with a matching ribbon, available in a simple drawstring or a sling.

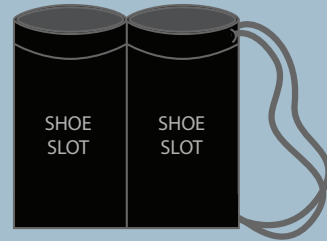

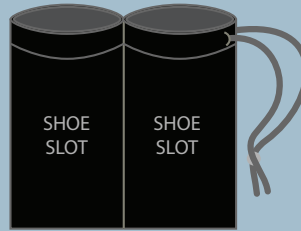

impromptu

SIMPLE DRAWSTRING

SLING

the impromptu is a split-bag style. The split creates two compartments, one for each shoe. It's made with one high-quality, durable fabric and paired with a matching simple drawstring or sling.

etude

the etude

is our most versatile bag. Lined on the inside with an extra layer of fabric, you'll also find a zipper or button internal pocket, and two compartments, one for each of your shoes. The main compartment can hold clothes, a laptop and more!

Available in sling and backpack styles.
